

Joining us is simple.

Print the form, complete it then post it off.

Or you fill in the form on your PC. Save it, then e-mail it back to us.

Boxes in Red are mandatory.

Name(s):* ¹ ²

Address:*

Post Code:*

Telephone:* Mobile:

E-mail:*

Date of Birth: ^{1*} / / Date of Birth: ^{2*} / /

(Minimum age 11 years)

Tell us about yourself: What would you like to discover with HantsAstro?

You may want to use your own astronomy gear if so, please let us know and we can shape the groups needs for future observing, support, projects and events.

Where would you mainly like to do your observing from?

Butser Farm (Pass) Butser Hill/QECP (Pass) Hampshire Imaging Sites Ad-hoc (Pass)

(Passes are required to be purchased for our sites, to cover site fees and to cover costs and site facilities. Most HantsAstro Public Events are free.)

Which nights are you available for observing? (late August to early May are longer nights!)

Mon	Tues	Weds	Thurs	Fri	Sat	Sun
<input type="checkbox"/>						

Would you like to attend Star Parties? Would you like to go on astronomy trips?

Would you interested in Astro Classes and workshops? Would you like to help us out?
(This does not affect your application but we could always do with more help!)

Simple? Told you it was. :-)

How far are you willing to travel to a dark sky site from home?

30 Minutes

1 Hour

2 hours plus

(As you can see we like to get around a bit!)

Play nicely...

HantsAstro believes in common sense as do you, as you are over 18. We could bury you under pages of rules and regulations, but it's just you, the sky and a telescope and this is just an astronomy group, not a job application.

This is how we work: Arrive, Setup, Observe, Enjoy, Go Home and we observe the following three rules:

Rule Number One:

Leave the site as you found it, but never leave anyone alone at a site. That's the only unbreakable rule and the primary one. Remember, never observe by yourself.

Rule Number Two:

Astronomy will always come first... Anything else just isn't cricket, if you don't follow our etiquette (see our website!) you might not be asked back.

Rule Number Three:

If you do not adhere to the above you two rules will be requested to leave. In the day you can argue all you want, at night with us you can't. We love astronomy.

Annual Site Passes - Really simple.

Get more from your astronomy by buying a site pass. Valid for 12 months at any HantsAstro Premium Dark Sky site for every observing session, subject to weather of course. Please check the ClearSkies panel on our website for latest reports on when we meet.

Butser Ancient Farm Adults £18.00 per annum
QECP/Butser Hill £28.00 pa 1adult/child
other premium sites (11 to 18 year olds must be accompanied by adult or guardian on site at all times)
(subject to notice and availability)

Cheque:
(Payable to: HantsAstro)

PayPal
(via website, [http:// www.hantsastro.org/joinin.html](http://www.hantsastro.org/joinin.html))

Insurance

The group is fully PLI/ELI insured for all public events, as is our sites but your own equipment isn't, so it is advised that you to get your gear insured. Details are available upon request.

Sign below, and welcome to our Astronomy Group, 21st Century style. If you're really keen, then why not sign up for our active facebook group, and join in the fun there too!

Please type your name.
